COCKTAIL Special Events perform at all our annual events. Our Holiday lunch use to be a two hour event with a simple DJ, and ever since Johnny & Elyzabeth, COCKTAIL Special Events *LE DUO* started performing for the occasion, it has transformed into a five to six hour gathering with live entertainment, live singers, and dancing. They are amazing! We simply love them I have also hired them for my wedding anniversary.

They are so much fun and such amazing individuals.

Good times!

There is a family affair between us and COCKTAIL Special Events. COCKTAIL has performed for three of my cousins, my sister and myself. Every party was different and not a repeating act we had already seen! One thing remained the same, and it was their class and entertainment. They know exactly how to get a party going and keep it going.

Their sound is crisp and at a comfortable volume where we can actually have a conversation in the room. Their songs selection is creative and gets people on the dance floor. Johnny was super attentive to our requests and very professional. A true gentleman that always delivers what he promises.

The music enchanted our special night, and my wife and I will never say thank you enough to COCKTAIL for creating so many memories we will cherish forever.

COCKTAIL Special Events all you need for your special day

Johnny, Melody and Patrick played at our wedding on September 21st and Johnny was easy to deal with previous to the wedding and was always prompt with his reply's. On the night, what can I say but how excellent they were. They were able to judge the crowd and keep everyone on the dance floor all night long from the band to DJ Patrick later after the meal. Young and old enjoyed the music and I'm not surprised to hear you have a few new future brides dreaming to have COCKTAIL at their wedding. All I can say is thank you for being part of our wedding.

COCKTAIL Special Events and Johnny Pacelli is all you need for special memories.

Sensational!!! Really set the perfect ambiance

My wedding party will forever be remembered for having the best entertainment in town. We actually changed our wedding date in order to have COCKTAIL Special Events perform at our party, and it was the best decision we took. They have this special stage presence, and know exactly how to have a crowd eat in the palm of their hands.

Unlike any other band/DJ in the industry, they created a magical atmosphere throughout the entire night, and our guests were able to speak to one another without having to shout on top of their lungs. John is very attentive, and pays attention to the smallest details which resulted in a great party. We had the three singers and guitar player + house DJ line-up, and they were simply amazing.

Thank you Johnny and COCKTAIL for making our special moment a memorable one.

Our Christmas wedding

I've always wanted a winter wedding with a Christmas theme, and Peter at Le Centre Renaissance, and Johnny from COCKTAIL Special Events made my dream come true.

We had a magical evening; everything was simply perfect. COCKTAIL Special Events set the tone right from the beginning with lounge/jazz Christmas tunes and charmed our guests during the meal with dance songs in between meals and easy listening numbers while eating. Engaging with our guests with class and entertainment, getting our guests to the dance floor, COCKTAIL delivered what they promised and more.

I truly appreciated Johnny's full cooperation and accommodating both our cultures, Italian and Ukrainian.

You can not go wrong with COCKTAIL Special Events

The singers are amazing and interact with the crowd.

Elegant cocktails, classy and entertaining meal, and a full dance floor until the very end, made my wedding banquet a success I will never forget.

COCKTAIL surpassed my expectations and was the hit of the night! What I appreciated the most was the fact that they do not sound like everyone else in the wedding industry. Their unique style made them stand out and made our party outstanding and distinct.

The singers are amazing and interact with the crowd. The volume in the hall was perfect the entire night, and their DJ is unbelievable.

Johnny was great with us and made us feel at ease from the moment we first met to discuss the music.

They are the best in town.
